### **EMC Network Management- Smarts Administration**

**E22-250: Network Management- Smarts Administration**

**Practice Exam:** E22-250 Exams

**Exam Number/Code:** E22-250

**Exam Name:** Network Management- Smarts Administration

**Questions and Answers:** 166 Q&As

( [EMC Certification](#) )

EMC Certification [E22-250](#) Braindumps Q&A are created by senior IT lecturers in Just4Exam certification Q&A network and EMC Certification product experts combination PROMETRIC or VUE true-to-date environmental examination of the original title. Exam : [E22-250](#)

The Questions & Answers cover the latest real test and with all the correct answer. we promise the Q&A for **EMC EMC Certification E22-250** examination of original title complete coverage. Just4Exam **E22-250 Braindumps** Questions & Answers help you pass the exam. Otherwise, we will give you a full refund.

**VUE/Prometric Code: E22-250**

Exam Name: Network Management- Smarts Administration( EMC Certification )

Questions and Answers: 166 Q&A

#### **Just4Exam provide the professional Q&A.**

1. We offer free update service for three month.

After you purchase our product, we will offer free update in time for three month.

2. High quality and Value for the E22-250 Exam.

E22-250 simulation test questions, including the examination question and the answer, complete by our senior IT lecturers and the EMC Certification product experts, included the current newest E22-250 examination questions.

3. 100% Guarantee to Pass Your EMC Certification exam and get your EMC Certification Certification.

All will purchase "E22-250 Q&A" customers will obtain refund money after-sale commitments if do not pass the exam, And enjoy the upgrade Q&A service for free in one year. Ensure customers a pass rate. Just4Exam helps you one time pass the EMC Certification E22-250 tests.

#### **We promised that use Just4Exam Q&A ensure you pass the exam at your first try.**

1. The Q&A are from cooperation exam center of the real original title, summarized by our professional team and collated by senior IT lectured in co-training center to make sure the professional quality of the Q&A. The correctly of the Q&A is 100%, the coverage of E22-250 Q&A are more than 96%. All you need to study the whole E22-250 Q&A before you participate the certification exam, it should be possible to easily complete the exam and pass the certification.

2. Just4Exam to all the Q&A, we promised "do not pass the exam give you a full refund". If you buy our E22-250 Q&A and did not pass the exam at the first try. You can take the examination report card that stamped with PROMETRIC or VUE test centers Seal. we will refund your full cost of E22-250 Q&A, absolutely guarantee you interests have no losses. (For a full refund details)

3. Just4Exam professional IT Q&A vendors, we provide well after-sale service. To all the customers buy the Q&A, we provide track service. when you buy the Q&A with in one year. you can enjoy the upgrade Q&A service for free. If in this period, the certified test center change the E22-250 Q&A, we will update the Q&A in the first time, and provide you the download update for free.

[EMC E22-250](#) Test belongs to one of the EMC Certification certified test, if needs to obtain the EMC Certification certificate, you also need to participate in other related test, the details you may visit the [EMC Certification](#) certified topic, in there, you will see all related EMC Certification certified subject of examination.

E22-250

Just4Exam professional provide EMC Certification E22-250 the newest Q&A, completely covers E22-250 test original topic. With our complete EMC Certification resources, you will minimize your EMC Certification cost and be ready to pass your E22-250 tests on Your First Try, 100% Money Back Guarantee included!

### **Just4Exam Engine Features**

Comprehensive questions and answers about E22-250 exam

E22-250 exam questions accompanied by exhibits

Verified Answers Researched by Industry Experts and almost 100% correct

E22-250 exam questions updated on regular basis

Same type as the certification exams, E22-250 exam preparation is in multiple-choice questions (MCQs).

Tested by multiple times before publishing

Try free E22-250 exam demo before you decide to buy it in Just4Exam.com

[Just4Exam.com](#) offers incredible career enhancing opportunities. We are a team of IT professionals that focus on providing our customers with the most up to date material for any IT certification exam. This material is so effective that we Guarantee you will pass the exam or your money back.

Exam : EMC E22-250

Title : Network Management- Smarts Administration

1. A telecommunications company has already mapped its customers to the network topology provisioning tool. Into which Smarts product could you import that information?

A. ATM/FR Manager

B. Business Impact Manager

C. Optical Transport Manager

D. Service Assurance Manager

Answer: B

2. At a customer site, many different networks are being managed by a single IP domain, which is generating many DuplicateIP alerts in SAM.

How can you avoid these DuplicateIP alerts?

A. Filter the Duplicate network

B. Use a different IP-AM for each network

C. Use a different SAM for each network

D. Use IP Tagging

Answer: D

3. Operations wants an extra field to add its information directly to the notification instead of adding comments to the audit log. How can this be implemented?

- A. Create a server tool for the operators to be able to input text into a user-defined field
- B. Create a user-defined field with the attribute set to read/write
- C. Open a Global Administration Console and label a user-defined field as "Operator Notes"
- D. Set the operator rights to read/write for all notifications

Answer: A

4. Click the Exhibit button.

Which Smarts product is responsible for associating infrastructure components to the services and customers supported?

- A. Global Console
- B. Business Impact Manager
- C. Service Assurance Manager
- D. IP Availability and Performance Managers

Answer: B

5. Which relationship of a router is expanded to view the instances of its interfaces, in the Topology Browser?

- A. ComposedOf
- B. HostsAccessPoints
- C. RealizedBy
- D. Underlying

Answer: A

6. An organization is looking to capture essential information of its environment. It also wants to understand the physical and logical components, their relationships, behaviors, and interactions. Which part of the Smarts A3 architecture supports this effort?

- A. Abstraction
- B. Aggregation
- C. Automation
- D. Availability

Answer: A

7. SAM is installed on the smarts01 server. During installation of SAM, the broker location was set to localhost:426. To finish the installation for the deployment, the IP suite needs to be installed on smarts02. During installation of the IP suite, what broker should be specified?

- A. localhost:426
- B. smarts01:426
- C. smarts02:
- D. smarts02:426

Answer: B

8. Which feature is a valid option of the IP Management Suite installation?

- A. IP Availability Manager
- B. IP Availability Manager Extension for IPv6
- C. IP Availability Manager Extension for NAS
- D. Web Console

Answer: A

9. Which feature is a valid option of the IP Management Suite installation?

- A. EMC Smarts Adapter for HP OpenView NNM
- B. Global Console
- C. IP Availability Manager Extension for IPv6

D.IP Availability Manager Extension for NAS

Answer: A

10. An organization is looking for a way to effectively scale in an intricate heterogeneous IT environment. Which part of the Smarts A3 architecture will minimize the manual effort to accomplish this goal?

- A.Automation
- B.Abstraction
- C.Analytics
- D.Analysis

Answer: B

11. Oper1, a user, would like to share a saved map with other users. What does the admin need to do?

- A.Copy the saved map to <BASEDIR>smartslocalconfconsole folder on the Global Manager
- B.Copy the saved map to <BASEDIR>smartslocalconfconsoles folder on the Global Manager
- C.Copy the saved map to <BASEDIR>smartslocalconsole folder on the Global Manager
- D.Copy the saved map to <BASEDIR>smartslocalconsoles folder on the Global Manager

Answer: D

12. The customer wants to install the IP Availability Management Suite on a SUSE Linux server. Which IP Management Suite document can be used to determine if this operating system is supported?

- A.Deployment Guide
- B.Installation Guide
- C.System Administration Guide
- D.User's Guide

Answer: B

13. The EMEA NOC, America NOC, and Asia NOC each has visibility to regional NOCs. Each regional NOC implements one or more Smarts applications and uses its own Smarts Service Assurance Manager to provide an end-to-end view of the region.

What needs to be configured to architect EMC Smarts solutions to view all regions?

- A.Hierarchical SAM configuration
- B.Smarts Aggregation Adapter
- C.Smarts Topology Split Manager
- D.Standard SAM configuration

Answer: A

14. Which components are unique to the EMC Smarts solutions, and are part of every EMC Smarts Root Cause Analysis (RCA) application?

- A.Global Console, SAM, Domain Manager
- B.InCharge Common Information Model, Repository, Codebook
- C.Service Assurance Manager, Domain Manager, Broker
- D.Service Assurance Manager, Domain Manager, Notification Adapter

Answer: B

15. A customer wants to discover and monitor its IP network equipment, including routers, switches, and hosts, for both availability and performance. Which Smarts IP Management Suite application includes monitoring of Processor High Utilization for hosts?

- A.Availability Manager
- B.Discovery Manager
- C.Performance Manager
- D.Server Performance Manager

Answer: D

16. Click the Exhibit button.

Which Smarts application performs root-cause analysis?

- A. Global Consoles
- B. Business Impact Manager
- C. Service Assurance Manager
- D. IP Availability and Performance Managers

Answer: D

17. The IT director wants to consolidate NOC tools. Which information about the Smarts suite could you provide to assist in this effort?

- A. It would be better to eliminate all other monitoring tools and just use IP Availability Manager to monitor all elements in the data center.
- B. Service Assurance Manager can integrate and correlate information from Smarts Analysis servers as well as other sources.
- C. The IP Availability Manager product integrates information about the IP network from multiple sources.
- D. The Smarts suite can easily use other SNMP polling tools to correlate Authentic Problems.

Answer: B

18. Why would Smarts discover a new network device as a node?

- A. The device does not support MIB-2.
- B. The device has not been certified.
- C. There is a loop on the SNMP agent on the device.
- D. There is no SNMP agent on the device.

Answer: B

19. Click the Exhibit button.

A Notification List was created with the matching criteria shown in the exhibit.

Which notification matches this criteria?

- A. Cable LINK-IF-feast/1<->PORT-sw1/12 DownOrFlapping
- B. FileServer powerfs Down
- C. Interface IF-wrcertsjc1 Unstable
- D. Router moto-gw.smarts.com Unresponsive

Answer: B

20. An enterprise NOC manager was asked by an internal business customer to provide much quicker availability notifications for the portions of the infrastructure serving that business customer's applications. Which solution will provide the requested results?

- A. Create a new console view filtered to display the notifications for the appropriate infrastructure objects
- B. Create a new instance of IP Availability Manager to add extra monitoring to the appropriate infrastructure objects
- C. Create a new polling group with the appropriate infrastructure objects with a reduced polling time
- D. For each of the appropriate infrastructure objects, reduce the ICMP response threshold

Answer: C
