D. A father cancels a \$50,000 note his daughter gave him when he made a loan to her 2 years ago.

Answer: D

7. A father deeded a house as a gift to his daughter in 1990 but retained the right to live in it until his death. He died this year, while still living in the house. The following are relevant facts:

The father bought the property in 1980 for \$140,000. The fair market value of the property when the gift was made in 1990 was \$170,000. The father filed a timely gift tax return but paid no gift tax because of the applicable credit amount. The fair market value of the property at the father's death was \$200,000. The daughter sold the property 3

months after her father's death for \$200,000. She had a gain of

- A. 0
